Introducing Khay-La-La Bookie Educational Workbooks

Pagegirl101 Publishing, established in 2020, produces high-quality, interactive educational workbooks for Pre-K to 2nd-grade students. Designed to support the Early Years Foundation Stage (EYFS) curriculum and are suitable for teachers and parents. Based in the United States, our materials are widely used in classrooms and homes across the country.

Why are activity workbooks and coloring books beneficial for kids?

- Activity workbooks and coloring books can provide children with a hands-on approach to learning, allowing them to engage actively with the material and make it more memorable.
- They can help children develop various cognitive skills, such as problem-solving, critical thinking, and attention to detail, as well as fine motor skills, such as cutting, pasting, and writing.
- They can provide children with a sense of independence and accomplishment, boosting their self-esteem and motivation to learn and making learning a fun and interactive experience for children.
